This episode of the podcast features a discussion with Brandi Collins-Dexter, the author of the new book *BLACK SKINHEAD: Reflections on Blackness and Our Political Future*. Brandi is both an academic and a civil rights activist in the fight for media and tech justice, and her book is a rollercoaster ride through those issues through culture and music and politics. Part media and cultural criticism, part memoir, and part warning, the book takes us to the fringes of Black communities and tries to make sense of our political moment.
